F. No. Swachh Bharat/Adm.II/

Dated 19th October, 2016

Activity on 16.10.2016:-

The Officials and members of Staff of ICAR-CIFRI assembled around the Institute's Pond for cleaning and weeding. The dead leaves, twigs and branches found around the pond were removed. The hyacinths floating on the pond were taken out and were disposed off. Some of the members demonstrated Swachhta Slogans on display boards. The members then moved to the residential area of the Institute. The small garden around the Shiva Temple was weeded out and cleaned.

Activity on 17.10.2016:-

A team of Scientists comprising the Director, ICAR- CIFRI, Dr. Archan Kanti Das Principal Scientist and Dr. Mrs. Aparna Roy Scientist have visited Saibana Village Barasat Block Dist. North 24 Parganas, West Bengal to disseminate the idea of Swachh Bharat under Mara Gaon Mera Gaurav program. The team actively participated in cleaning the roads and fields of the Village. The team also distributed bleaching powders among the villagers and had strewn the bleaching powders in the mosquito infected areas.

Activity on 18.10.2016:-

A team of Scientists including Director ICAR-CIFRI has visited village Khansaheb Abad, Sagar Island, Sundarban, south 24 Parganas, West Bengal where they had distributed sanitary Soaps among the school children and took them to the roads for cleaning and sanitation activities along with the villagers.

Activity on 19.10.2016:-

The Officials, Staff Members and Research Scholars of the Institute took part in in-house cleaning activities at the corridors, furniture and laboratories in the forenoon of the day.
