

## **Training Programme**

**On**

**Fish Disease Diagnosis and Management**

**September 08-12, 2025**

**Organized by**

**ICAR-Central Inland Fisheries Research Institute  
Barrackpore, Kolkata – 700 120**

## About the Training Programme

Fish farming plays a pivotal role in augmenting food production and economy of the country. However, faulty management practices, lack of scientific knowledge and guidance and increasing occurrences of disease problems cause huge loss to fish cultivators. Hence, disease diagnosis, prevention and control have gained utmost significance in fish production. The present **off-line** training encompasses the fundamentals and diagnostic approaches in fish health management in fisheries and aquaculture practices.

## About the Institute

Central Inland Fisheries Research Institute (ICAR-CIFRI), an ISO 9001: 2015 certified and recipient of Sardar Patel Outstanding Research Institute Award 2020, is a premier fisheries research institute in India since 1947. The Head Quarter of the Institute is located in Barrackpore, Kolkata – 700 120. With more than 75 years of national and international presence in the field of inland open water fishery, ICAR-CIFRI is extending its expertise

and facilities for direct benefit of the fisher community, private and public organizations, academic institutions, and state departments. Research activities are conducted through five divisions: Riverine & Estuarine Fisheries (REF), Reservoir & Wetland Fisheries (RWF), Fisheries Resource Assessment & Informatics (FRAI), Fisheries Enhancement & Management (FEM), and Aquatic Environmental Biotechnology & Nanotechnology (AEBN).

## Objectives of the Training

- To acquaint the participants with fish diseases
- To guide them on fish disease identification/ diagnostic approaches
- To acquaint them with safe use of drugs and chemicals for fish health management and better management practices to reduce disease loss

## Venue

ICAR-Central Inland Fisheries Research Institute, Barrackpore, Kolkata – 700 120, West Bengal

**Training Period: September 08-12, 2025**

### **Dates to Remember**

Last date of receipt of application/nomination:

**September 01, 2025**
